I bow down before Vishnu, the Lord of all worlds and the remover of all causes of fear. He is of blissful form. he lies on a serpent bed. He sports a lotus on His navel. The Lord of the celestials. He supports the whole cosmos.His limbs are exquisite and His complexion is blue like that of the sky and the rain cloud. The consort of Lakshmi. He has eyes rivalling the lotus. The yogis meditate on Him in their innermost heart.

**Vakratunda Mahakaaya

The Lord with the curved trunk and a mighty body, who has the luster of a million suns, I pray to thee Oh Lord, to remove the obstacles from all the actions I intend to perform.
